### MAN AND FIANCEE SLAIN ON MIDNIGHT AUTO RIDE; BODIES HURLED FROM CAR

Rahway Policeman Nearly Run  
Down by Murderer Escaping  
in Car of His Victim.

FOUND 2 MILES APART.

Perth Amboy Business Man and  
Girl Last Seen on Way  
Home Alone in Machine.

A shot in sleeping Rahway's quiet  
residential street—a woman's cry  
of terror which was clipped short  
by a second shot—a man's voice cry-  
ing "We got to get rid of the wom-  
an," which was answered by another  
male voice barking "Drive like  
hell!"—these the short, sharp inci-  
dents of Rahway's moonlight murder  
mystery of last night.

Lovers—a man and a woman whose  
wedding was to be on Sept. 5 and the  
announcements for which were already  
out—died by those two shots on West  
Milton Avenue. The body of the man,  
Arthur Kuper of Perth Amboy, was  
hurriedly dumped from the car just as  
the roar of the engine signalled its  
starting again. Edith Janney, the girl  
whose wedding dress already was  
made, was thrown into a ditch on the  
Linden Road two miles east of Rah-  
way.

A mile beyond where the body of the  
bride-to-be was thrown searchers  
found the car which spilled death as  
it sped through the moon-streaked  
roads. It was crumpled and abandoned.  
Such are the bare outlines of the  
deepest mystery Rahway and the im-  
mediate neighborhood has had to  
ponder in many years. When detec-  
tives began to piece together the  
fragments of the whole they first ran  
into the deep, underlying love in-

### DEALERS MUST SELL NEWSPAPERS OR LOSE LICENSES, HYLAN RULES

Tells Commissioner Permits Were  
Issued Only That the Public  
Might Be Served.

MAYOR HYLAN has sent the  
following letter to Com-  
missioner John F. Gilchrist  
of the Department of Licenses:  
"Complaints have been made to  
me that newsdealers who have  
received a license from your de-  
partment have refused to sell the  
daily papers published in this  
city. On receipt of any complaint  
by you that a newsdealer will  
not sell the daily papers, and  
which upon investigation you find  
to be true, I wish you would re-  
voke his license forthwith. These  
people are granted permission to  
handle the daily papers for the  
convenience and benefit of the  
public. The acceptance of the  
license on their part puts on  
them the obligation to render this  
service to the public."

### ENTIRE FISHING FLEET DESTROYED BY RAIDER MANNED BY U BOAT CREW

Seven Vessels Are Known to Have  
Been Sunk Off Newfound-  
land Banks.

MONTREAL, Aug. 22.—Practically  
the entire fleet of the Maritime Fish  
Corporation has been destroyed by  
the trawler Triumph, which was cap-  
tured by a German submarine crew  
and armed, according to reports to  
the corporation's office here to-day.

The fleet was operating off the Grand  
Banks of Newfoundland. It was  
composed of eight or nine boats of  
both Canadian and American regis-  
trary.

Seven vessels are known to have  
been destroyed. Among those re-  
ported sunk to-day are fishing  
schooners Delagarde, Sylvania of  
Gloucester, Pasadena of Nova Scotia  
and Lucille Schmale of Lunenburg,  
N. S. Three ships were reported  
sunk yesterday when the activities  
of the raider first became known.

A dory containing three members  
of the crew of the Delagarde is re-  
ported missing. Sailors from the  
other schooners landed safely.

### CHAMBERLAIN WANTS WORK OR FIGHT CLAUSE IN DRAFT

Says Military Necessity Requires  
Lowering and Raising of  
the Age Limits.

WASHINGTON, Aug. 22.—In the House  
to-day Chairman Dent of the Military  
Committee was unable to obtain unani-  
mous consent to limit debate on the new  
man-power bill. He gave notice that he  
proposed to keep the House in contin-  
uous session to-morrow until the bill was  
passed.

Chairman Chamberlain opened the  
discussion on the Senate floor with a  
statement that while many protests  
against the new draft ages had been re-  
ceived, military necessity required that  
the age limits be both raised and low-  
ered.

Senator Chamberlain argued for the  
work or fight amendment, declaring  
men at home should work or join the  
army, since the soldiers have to fight  
for \$30 a month and get shot if they  
disobey orders.

Citing precedents dating back to the  
revolution for calling out men eight-  
teen to forty-five, the Oregon Senator  
said "this pussy-foot policy of getting  
over a few men now and a few more  
later has already delayed prosecution  
of the war," and said he wanted to see  
an American Army under American  
command and under the American  
flag at the front.

BAKER FOR WORLD'S SERIES.  
Says He Will Be Glad If It Can Be  
Arranged.

WASHINGTON, Aug. 22.—Secretary  
Baker favors the playing of the world  
series. He told the press to-day he  
would be glad if this could be arranged  
and believed either the local boards  
could grant an extension of time to  
players on the work or fight order, or  
possibly he himself would do it.

### EIGHT DEAD, EIGHT MISSING AS FIFTEEN CANOES CAPSIZE WITH LAUNCH OFF ROCKAWAY

Moonlight Party Thrown Into  
Sea, and Death List Is Ex-  
pected to Grow.

HEROIC RESCUES MADE.

Struggling Victims Picked Up  
in Boats—Coast Guards  
and Aviator Aid.

The sea has not yet returned all the  
dead of the moonlight horror that  
occurred last night off Rockaway  
Point, where fifteen canoes and a  
motor launch, all tangled together  
with tow lines, capsized in confusion,  
throwing forty-one men and women,  
boys and girls, into the water. It  
was 8 o'clock in the evening when  
the party started and after 10 in the  
morning when the last survivor  
reached shore.

Sixteen persons are missing after  
an all night and all day search for  
bodies. Eight of these are definitely  
reported dead, and little hope is left  
that any of the others live. The police  
say the death toll may be a  
score or more. But the following  
list was prepared by William Gould,  
President of the Sheepshead Bay  
Canoe Club, under whose auspices  
the party was given:

KNOWN DEAD.

BEST, Olive.  
CORLEY, Thomas, No. 345 Put-  
nam Avenue, Brooklyn.

the New York Herald.

lin Avenue, Brooklyn.

MENTELZON, John, No. 437 De  
Kalb Avenue, Brooklyn.

DALY, Miss (first name not known).

HELDLUND, Helen, No. 517 Ster-  
ling Place, Brooklyn.

LEE, William.  
STEINMEYER (first name not  
known).

Submarine chasers and four army  
airplanes are searching the sea's  
surface for floating bodies.

Many who escaped after hours of  
suffering are in the care of physicians  
and some of them may die.

Probably the most terrible experi-  
ence undergone by any of the sur-  
vivors was that of Vincent Russo of  
No. 211 Toole Place, Brooklyn, who  
was rescued by the Coast Guard.

### CARDINAL FARLEY SUFFERS RELAPSE; END MAY BE NEAR

Prelate Ill With Second At-  
tack of Pneumonia This  
Month.

Cardinal John M. Farley, suffering  
the second attack of pneumonia since  
Aug. 1, at his summer home, Orienta  
Point, Mamaroneck, was unconscious  
nearly all day Monday, and after rally-  
ing had a swift relapse last night  
which made his physicians fear death  
was near.

To-day, according to the statement  
given The Evening World by Mr.  
Thomas G. Carroll, his private secre-  
tary, the Cardinal has rallied slightly,  
but is still in a very grave condition.

The first attack of pneumonia great-  
ly sapped the Cardinal's vitality, but  
his physicians, Dr. Thomas F. McPar-  
land and Dr. Ernest Fahnestock, be-  
lieved they had him on the road to  
recovery when on Sunday night symp-  
toms of a return of the disease de-  
veloped very quickly.

"It is a general breaking up," said  
Dr. John P. McParland, "and Cardinal  
Farley is in a very serious condition."

### FIRST BONDS SELL AT 102.30.

Liberty 3½s Establish New Record  
on Exchange.

A new high record for Liberty  
Bonds was made to-day when the  
3½ per cent. issue sold at 102.30 on  
the opening of the market.

The opening price was 102 cents over  
the high record of yesterday and the  
buying was brisk and firm. The first  
lot establishing the price was \$12,000  
and the price sold up on transactions  
of \$200,000. Other bond issues showed  
only slight changes on the opening.

### NAVAL AVIATOR KILLED.

Been Married a Week.

NEW ROCHELLE, Aug. 22.—Lieut.

Corps, son of Mr. and Mrs. James But-  
ler, of New Rochelle, was killed yester-  
day in an airplane accident at Miami,  
Fla., according to word received by Mrs.  
Clear Stonerberg, his mother, here.

Lieut. Butler was twenty-two years old  
and had been married only a week.

giaman from New York, and North  
Westrup of Georgia, American Consul,

province an autographed photograph of  
President Wilson, which will be pre-  
sented in the Milan Art gallery.

Subway Service Improved.

Inspections made by the Public Ser-  
vice show, according to a report given  
out by that body, that subway ser-  
vice in the morning rush hours to-  
day is an improvement over that of yester-  
day, which, in turn, was better than  
that of the day previous. The greatest  
improvement, it is claimed, was in the  
service from Atlantic Avenue, Brooklyn.

### BRITISH ADVANCE BY NEW BLOW; MANGIN CROSSES THE AILETTE

Line of River Reached by French,  
Sweeping Ahead on Twenty-Mile  
Front—Oise Heights, Where Drive  
on Paris Was Checked, Seized.

PARIS, Aug. 22 (4 P. M.) (United Press).—The  
French have crossed the Ailette River on a mile front, be-  
tween Champs and Guny, and are pushing toward Coucy-  
le-Chateau.

(Coucy-le-Chateau is eleven miles directly north of Soissons and  
two miles east of Guny).

In the Coucy-le-Chateau region a German division  
prepared to counter-attack but a lightning-like French at-  
tack forced them to retreat. They fled in a panic, throwing  
the division immediately in their rear into confusion.

Noyon is rapidly being enveloped. It is now out-  
flanked from the east. French troops are ready to cross the  
Oise Canal, which they have reached between Varesnes  
and Morlincourt (a mile and a half southeast of Noyon).

The Divette River is entirely in the hands of the  
French.

Gen. Mangin's men are nearing Manicamp (at the  
junction of the Oise and Ailette Rivers, seven miles east  
of Noyon).

Northwest of Soissons the Germans attempted a counter-attack on  
Juvigny Ridge (four miles northwest of Soissons), but were quickly  
repulsed.

A fleet of seventy heavy tanks at one point in the French advance  
spread terror among the Germans.

### WEDGE DRIVEN BETWEEN GERMAN ARMIES.

LONDON, Aug. 22 (4 P. M.) (Associated Press).—The French  
army under command of Gen. Mangin in its attack on the Oise front  
to-day has reached the line of the Ailette River, according to reports  
reaching London this afternoon.

The possession by the French of the whole line of the Ailette, ac-  
cording to London military experts, means that Marshal Foch's design  
to drive a big wedge between Gen. von Boehn's army and the forces  
of the German Crown Prince has been successfully accomplished. Also,  
that the Germans have been placed in a position of the utmost difficulty  
both north and south of the new French salient.

### FRENCH ON OISE HEIGHTS SEE FOE RETREAT.

PARIS, Aug. 22.—From the heights of Le Plémont, on the Oise  
front, the French troops are now watching the Germans in their retreat  
toward the north.

The capture of Lassigny, an official communication issued this af-  
ternoon says, made the position on Le Plémont untenable as it was turned  
from the north and Gen. Humbert's army last night took the position,  
writing one of the most glorious pages in French history.

It was on this position, the statement adds, that the furious German  
onslaught against Paris on March 30 was smashed, one French battalion  
holding the position for thirty-six hours against the desperate assaults  
of two German regiments.

Le Plémont was finally taken on June 9 by the Germans. It has  
been recaptured now by the former division of Gen. Fayolle which  
forms part of the troops that defended it on March 30.

The Germans were forced back over a twenty-mile front to a depth  
of from one to two miles from Lassigny to the Ailette River during the  
night, according to the official statement issued at the War Office to-day.

Further east the villages of Bourguignon and St. Paul-aux-Bois have  
been taken. The French reached the Ailette River at La Quincy-Basse.  
The western outskirts of Pommiers, on the Aisne west of Soissons, have  
also been taken.

The French have also reached the Oise on a six-mile front east of

### HINDENBURG ADMITS GERMANS "HAPPENED TO BE SET BACK"

"Let Us Look to the Future," Field Marshal's  
Best Consolation for Soldiers.

AMSTERDAM, Aug. 22.—Field Marshal Hindenburg addressing  
the 3d Regiment of Guards is quoted by the Tages Zeitung  
of Berlin as saying:

"Let us look into the future. Our position is favorable although,  
and we may frankly admit, we lately have happened to have been set  
back. But this is a fortune of war with which we must reckon."

### 100,000 GERMAN PRISONERS TAKEN.

PARIS, Aug. 22.—Since the start of the counter offensive on July  
18 the Allies have taken 100,000 prisoners, according to state-  
ments published to-day by the Echo de Paris.

In the past forty-eight hours the French have taken more than  
15,000 prisoners.

LONDON, Aug. 22.—Between 2,000 and 3,000 prisoners were taken  
by the British in yesterday's operations, the War Office announced  
to-day.

### BAPAUME-ARRAS RAILWAY CROSSED BY BYNG'S MEN IN FRESH BLOW AT FOE

British Make New Attack Between Somme and  
Ancre—Germans Fighting Hard  
on Albert Road.

LONDON, Aug. 22, 4.20 P. M. (United Press).—Acht-le-  
Grand, the high-water mark of the British advance north of the  
Ancre, has changed hands several times, but is now firmly held by  
the British, according to reports received here this afternoon.

### STRIKE FROM ANCRE TO SOMME.

LONDON, Aug. 22.—British forces attacked this morning between  
the Somme and the Ancre Rivers, the official statement issued at the  
War Office to-day announces.

North of the Ancre, the statement says, the Arras-Bapaume Railway  
has been crossed in spite of strong enemy resistance.

The British troops have reached the village of Neuf Berquin, north-  
east of Merville, the statement says.

Fresh German counter-attacks are reported to have developed east of  
Miramont and Irlès. The hostile artillery is said to have been very  
active during the night and to be continuing its heavy fire this morning.

In the Flanders battle area the British last night attacked and cap-  
tured a German position north of Baillieu, according to advices from the  
front to-day. It is reported that a strong local counter-attack made yes-

Noyon, their line extending from Sempigny to Bretigny.

Four villages, Le Plémont, Thiescourt, Cannestancourt and Ville,  
were occupied by the French, who have reached the Divette River, the  
statement says.

Never has the situation of the Germans been so serious as at pre-  
sent, which augurs well for the future, says L'Homme Libre in discussing  
the results of Wednesday's fighting.

The Germans have been deprived of all hopes of making a lasting  
stand on their present front, and the Allied offensive is costing him dearly,  
the Figaro says.

The battle is no longer a German battle, declares Le Matin, but the  
battle of Marshal Foch, to whose will all events appear to be subject.

### MANGIN PUSHES ON DESPITE RESISTANCE.

LONDON, Aug. 22.—French troops under command of Gen. Man-  
gin, according to information received in London to-day from the bat-
